Curriculum news

Wednesday – Y4 swimming

On Thursday Y4 are off to the Senhouse Museum to support their work on Roman Britain.

Friday morning will be a house team morning when children can come to school wearing a T shirt in their house team colours. As the morning includes an element of physical activity all children should wear trainers.

PE: Children must be able to remove their own earrings for PE lessons, if they are unable to please make sure they do not wear them on PE days.

Water

Would parents please support the school in only providing their children with unflavoured water in their water bottles? Thank you.

We are a nut-free school!

We have several children in school who are allergic to nuts/peanuts. Sufferers can be very, very sensitive and even a touch from someone who has handled nuts, or the breath from someone who has eaten nuts, can be enough to trigger anaphylaxis shock, which is a very dangerous allergic reaction.

Please do not send snack bars containing nuts of any type into school for your child's snack or lunch.

Thank you for your co-operation.

E-Safety

We have invited Jeff Haslam an Independent Internet Safety Advisor, to present an information session aimed at parents. Jeff sits on the education board of the Child Exploitation and Online Protection Centre (CEOP), is a member of the UK Council for Child Internet Safety (UKCCIS) and is a consultant for the UK Safer Internet Centre. Jeff will talk about how the Internet affects the lives of children and why parents should take an interest in what their children are doing online.

There will also be valuable practical advice on how you can help keep your children safe online.

Year 6 Transfer to Secondary School Forms

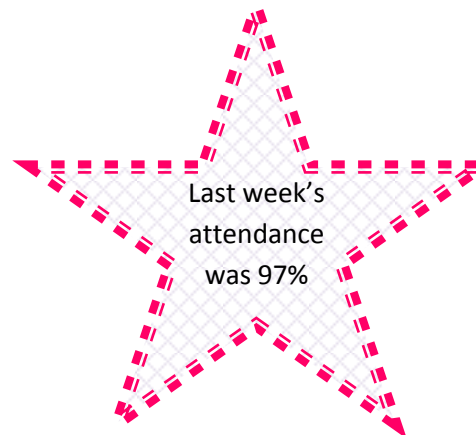

Please remember that the forms should be submitted online by 31st October or returned to the school office by Friday 23rd October.
