

Sports Day - Tuesday 6th June starting at 1p.m. at Copeland Athletics Stadium

A reminder that our annual school Sports Day will be held on our first week back after the half-term break on Tuesday 6th June. The event will again be held at Copeland Athletics Stadium and will begin at 1pm. Parents are invited to come along to cheer on the children and share in the fun.

- Children should come to school in their house team colours.
- Your child will need their water bottle.
- Please prepare your child for the weather; a hat/cap, sun cream or waterproof whichever is appropriate!
- The timetable for the event is as follows:
 - 12:30pm Children will travel from school by bus to the Athletics Stadium.
 - 1pm Sports Day begins
 - 2pm Sports Day finishes and winners announced
 - 2:30pm Move to the football field to complete the Colour Run
 - 3pm Colour run ends and parents transport their children home
- Children must be collected at 3:00pm from Copeland Athletics Stadium, **there is no EBASC afterschool club on that day.**
- **Hospice at Home – Colour Run**

Straight after the Sports Day events, the children will move to the nearby football pitch to complete our charity colour run. This is the first time the school has got involved in this type of event and it promises to be a great deal of fun, whilst also raising money for our chosen charity this year: Hospice at Home. The event involves children getting covered in powder paint as they run around the track so please be prepared with changes of clothing, towels and protection for your car seats!!!

Sponsorship forms were returned to children this week so please get busy raising money.
- We have invited The Whitehaven News to be present and we also have a school governor taking close ups of the children. You can take photos of your own child but we do ask that these are not uploaded to social media as they will include other children, some of whom we do not have permission to photograph. Thank you for your co-operation on this. If you do not wish your child to be photographed, please inform the school office or your child's class teacher.
- Parents and spectators are asked to sit on the stands only please and not to stand near the track.

We have worked hard to make sure that this event is enjoyable for everyone and we hope that everyone has a great afternoon.

Thank you for your continued support.
