Staying Safe

We want to make sure that people are safe in their communities.

Here are some things to think about if you are offered, or need, support during this time.

Try to use existing and trusted community groups. If not, could a family member, friend or neighbour who you know and trust help?

Not sure? Don't answer the door.

If you're not sure about an offer of help. ask the person to leave details and talk to someone you trust about it.

Cumbria Safeguarding Children Partnership CSCSCS

Are you concerned about a child?

We are all living in unprecedented times, it is really important that we look out for each other and support each other in our communities.

This will be a difficult time for lots of families. and they may be making different care arrangements for their children. Families may experience added stress at this time, with added financial pressure or isolation from support networks. These issues can add a great burden onto families and children and young people could be at increased risk of harm during these times.

If you are concerned about a child or young person who you believe might be at risk of harm, please contact:

The Multi Agency Safeguarding Hub on 0333 240 1727 or NSPCC 0808 800 5000.

If you believe a child is at risk of immediate danger dial 999 and speak to the Police.
