Mr Beattie

Hi everyone,

A week full of learning this week. The belated science week went off with a bang – pardon the pun! Children have been busy in the afternoons with their experiments, hypothesising and predicting. They even got to speak to a real astronaut all the way from NASA in America. Thank you to Jennifer for answering our SOS and speaking to us all. Thank you also to Luke Richardson at Jacobs for putting together some speakers for us at short notice.

It's also been a week of fun with our traditional Egg decorating competition. It's clear that we have a very creative bunch who have really enjoyed spending time at home making their scenes. Well done to all children but special mention to our winners: Class 1 Jacob & William, Class 2 Olivia & Amy Class 3 Marcie & Zac, Class 4 Harrison & Erin, Class 5 Mo & Lucas, Class 6 Jasmine & Zaahira—to see the winning entries click here—[Eggcellent Easter Egg Fayre!](#)

It is also a week that sees us saying goodbye to Miss Morgan who will start her fulltime role at the Infants. I'm sure the St James' Juniors community will join me in wishing her well in her new role.

I wish you all a restful and relaxing Easter Break.

**Positive Covid-19 Cases over Easter**—Please ensure that you inform us immediately if your child has symptoms or tests positive for Covid-19 over the Easter holidays. We need to be informed of any cases confirmed in the two days after we break up for Easter, to ensure we can inform close contacts, and if your child needs to isolate after the return to school date we can make arrangements for remote learning. Please email [admin@stjamesjun.cumbria.sch.uk](mailto:admin@stjamesjun.cumbria.sch.uk). Thank you.
