Mr Beattie

Welcome to the penultimate newsletter of the year. In a week that has seen a return of the impact of Covid on our school, I would like to thank everyone for their patience and understanding whilst we have had to deal with daily cases. I would like to send particular thanks to the children who have been isolating this week and have been working ever so hard on their remote learning. I would like to wish everyone a great weekend filled with celebration.

Sports Day Gallery - The white team won!!! I'm hoping that I am able to repeat that news after Sunday night. We now have a number of galleries on our website showing the fun we had in the sun. Well done all and particular thanks to Mr Tyson for arranging such an enjoyable day for the students.

Leavers Assembly & last day leaving arrangements - We will be hosting a leavers assembly on the last day for our Year 6 and families. This will be held outdoors at 1pm on Friday 16th July at St James' Church grounds. We ask that parents exit from the main church entrance where you will be escorted to a viewing space. The event should last approx. 45 minutes and we ask that families bring a blanket/deckchairs to sit comfortable through the service. At 1pm your child will walk from class to sit alongside you throughout the service. At the end, the children and families will exit from the church main entrance.

All other year groups will exit from the school site. Please note, these times have changed to those published last week—

- Year 5 1:15pm
- Year 3 & 4 1:20pm

All siblings of Year 6 are allowed to join their families for the event. They will be walked by staff directly to the event once everyone is seated.

Covid Situation - As mentioned earlier, our week has unfortunately been tainted by further positive cases, which has caused disruption to wider students and staff who have been forced into isolation. Could I please remind all families that the purpose for the isolation periods are to limit any further transmission and ask that parents adhere to these rules (although I personally appreciate how difficult that is) throughout the 10 day term.

PE Kit Order - The school will be placing a large order of the new school PE kit on Monday 12th July. Can I remind all families of current and future students have their order placed by Monday (either on SchoolMoney or via the manual PE form for new starters (please email to the office)) over the weekend. Thank you.

Moving up- Apologies for the delay in sharing new classes. This has been mainly down to the most recent periods of isolation involving students and staff. On Monday we will share new classes with the children and have organised some outdoor meet and greets with new teachers on Tuesday.
