ATTENDANCE POLICY

1. Introduction

- 1.1 St James' Junior School is committed to providing an education of the highest quality for all its pupils and recognises this can only be achieved by supporting and promoting excellent school attendance for all. This is based on the belief that only by attending school regularly and punctually will children be able to take full advantage of the educational opportunities available to them. High attainment depends on good attendance.
- 1.2 The whole school community – pupils, parents and carers, teaching and support staff and school governors – have a responsibility for ensuring good school attendance and have important roles to play. The purpose of the policy is to clarify everyone's part in this.
- 1.3 The policy has been drawn up after consultation with the governing body and is based on current government and Local Authority guidance and statutory Regulations. The school will ensure that all members of the committee know of the policy and have access to it. This policy should be read in conjunction with the Safeguarding Policy.
- 1.4 In light of the Covid-19 situation the latest DfE guidance will be followed in terms of Covid-19 attendance recording and reporting (<https://www.gov.uk/government/publications/school-attendance>).

2. School's roles and responsibilities

- 2.1 All staff (teaching and support) at have a key role to play in supporting and promoting excellent school attendance and will work to provide an environment in which all our pupils are eager to learn, feel valued members of the school community and look forward to coming to school every day. Staff also have a responsibility to set a good example in matters relating to their own attendance and punctuality.
- 2.2 Registration
 - i) The school is required to mark the attendance register twice each day; once at the start of the day and once during the afternoon session. All classes now use the electronic register on Scholarpack.
 - ii) The register will be called promptly at **8.45 a.m.** and **1.15 p.m.** by each class teacher and a mark will be made during the registration period in respect of each child.
 - iii) The registers will close at **9 a.m.** and **1.25 p.m.** Any pupil who arrives **after** the closing of the register will count as **absent (Code U)**. Pupils who arrive after 8.45 a.m. but before the register closes will be counted as **present**, but late (Code L).

2.3 Categorising absence

- i) A mark will be made in respect of each child during registration. Any child who is not present at this time will be marked unauthorised absence unless leave has been granted by the school in advance or the reason for absence is already known and accepted by the school as legitimate. Where a reason for absence is given and accepted by the school at a later stage, the register will be amended in such a way that the original entry and the amendment / correction are distinguishable. The decision about whether the absence should be authorised or unauthorised rests with the head teacher.
- ii) St James' Junior School recognises the clear links between attendance and attainment, and attendance and safeguarding children. It recognises that inappropriate authorisation of absence can be as damaging to a child's education

as unauthorised absences and will potentially send a message to parents that any reason for non-school attendance is acceptable and may render children extremely vulnerable to harm. If absence is frequent or continuous, and except where a child is clearly unwell, staff will challenge parents about the need and reasons for their child's absence and will encourage them to keep absences to a minimum. A note or explanation from a pupil's home does not mean an absence becomes authorised. The decision whether or not to authorise an absence **will always rest with the school.**

- iii) If no explanation about an absence is received by the school **within 2 weeks**, the absence will remain unauthorised;
- iv) Absence will be authorised in the following circumstances:
- (a) where leave has been granted by the school in advance, for example –
- a pupil is to participate in an approved performance for which a licence has been granted by the Local Authority,
 - a pupil is involved in an **exceptional** special occasion – in authorising such an absence the individual circumstances of the particular case and the pupil's / student's overall pattern of attendance will be considered,
 - in **exceptional** circumstances where permission has been granted for a family holiday for which the parents have sought permission in advance
- (b) where the school is satisfied that the child is too ill to attend;
- (c) where the pupil has a medical appointment (although parents should be encouraged to make these out of school hours wherever possible, and to return their child to school immediately afterwards – or send him / her to school beforehand);
- (d) where there is an unavoidable cause for the absence which is beyond the family's control, e.g. extreme weather conditions;
- (e) the absence occurs on a day exclusively set aside for religious observance by the religious body to which the pupil's parents belong;
- (f) the pupil lives more than two miles (if he/she is under eight) or three miles (if he/she has reached eight) and no suitable transport arrangements have been made by the Local Authority;
- (g) the pupil is of no fixed abode, his/her parent is engaged in a trade which required him/her to travel, the pupil has attended school as often as the nature of the trade permits **and**, have reached the age of six, he/she has attended 200 sessions in the preceding 12 months;
- (h) in other **exceptional circumstances** (eg a family bereavement) and **for a very limited period.**

v) Absence may be authorised in the following circumstances (but remains at the discretion of the Headteacher and absences must be requested, in writing, prior to the absence):

(a) where parents/carers have made a special request for authorise absence, for example –

- to allow a pupil to participate in a sporting or other curricular activity which is taking place on the day of the absence (without licence from the Local Authority) but on presentation of a supporting letter from coaches, instructors or tutors;
- to allow a sibling to attend with a child who is attending a sporting or other curricular event (as detailed above) if suitable other childcare arrangements can not be made.

vi) Except in the circumstances described above, absences will be unauthorised. Some examples of reasons for **not** authorising absence would be:

- no explanation has been given by the parent;
- the school is not satisfied with the explanation;
- the pupil is absent for **unexceptional** reasons, e.g. a birthday;
- the pupil is absent for the purposes of travelling in advance to a sporting activity or other curricular activity (even if the activity days have been authorised) unless circumstances can be demonstrated as to why the absence is exceptional;
- the pupil is absent from school on a family holiday without prior permission;

2.4 Staff Training

The Head teacher will ensure that all staff responsible for taking registers, including any temporary or supply staff, receive sufficient training to enable them to perform the task accurately.

3. **Collection and analysis of data**

3.1 The School's administration staff will ensure that attendance data is complete, accurate, analysed and reported to the Head teacher. The report should include commentary on the trajectory and the school target. The data will inform the school's future practice to improve attendance.

3.2 Attendance is monitored by class and Pupil Premium. It can also be analysed by reasons for absence, e.g. holiday during term time.

3.3 Accurate attendance returns are made to the DfES within the stipulated time frame.

4. **Systems and strategies for managing and improving attendance**

4.1 Attendance has a high profile at St James' Junior School and is regularly discussed in classes, assemblies and governors' meetings. Parents are regularly reminded in

newsletters and school meetings about the importance of good attendance and its links to attainment, and weekly attendance figures are displayed prominently on the weekly Newsletter and school website.

4.2 First-day calling

School has in place a system of first response calling. This means that parents will be telephoned on the first day a pupil is absent without explanation to establish a reason for the absence. The full First Day Contact Procedure is included as an attachment to the policy (page 12).

4.3 Working in partnership with parents

Attendance is tracked on a weekly basis and any children classified as persistent absentees (below 90%) will receive a letter/email home to parents accordingly (see flowchart pg 17). These children will continue to be monitored/parents contacted in line with the flowchart until attendance is above 90%.

At the end of each term, children will be grouped into 5 RAG rated bands. RAGG – rated letters will be sent out to all parents stating current attendance percentages and further actions needed. It will be explained to parents who receive ‘Red Letters’ that any future absences will be unauthorised unless there is clear evidence of a good reason for them and further attendance panel meetings will be arranged.

4.4 Formal partnership with parents

In cases where interventions in 4.3 are not working and children are remaining in the persistent absentees for a prolonged period, parents will be invited to meet with the Headteacher (or equivalent Senior Leader) to discuss an agreed Action Plan, created in conjunction with the Local Authority, attendance and inclusions team. These plans will be reviewed on a 4-weekly basis until the situation improves. If the situation doesn't improve the Headteacher will liaise with the LA about legal interventions (including possible prosecution as a last resort).

4.5 Lateness and punctuality

Pupils are expected to arrive in school on time every day. It is very disruptive to their own education and that of others in their class, if they are late. Pupils who arrive after the register closes will be marked absent for the whole session (a session being a morning or an afternoon). This absence will be unauthorised unless the school is satisfied that there is a legitimate reason for the pupil to be late.

4.6 For health and safety reasons it is important that the school knows who is in the building. Pupils arriving late should therefore report to the School Office. (It is their responsibility to order their school lunch at the same time.) **It is important that all pupils arriving late following this procedure.**

4.7 Incentives

Strong attendance is recognised during weekly celebration assembly time. A winning class is given the attendance trophy. At the end of each term, children who have 100% attendance will be presented with a certificate to recognise their achievement.

5. Term-time Holidays

Amendments to **The Education (Pupil Registration) (England) Regulations 2006** came into force on September 1st 2013. These amendments remove all reference to 'family holidays' as well as the statutory threshold of 'ten school days'. The amendments make clear that head teachers may not grant any leave of absence during term time unless there are exceptional circumstances.

5.1 School will consider every application for a holiday in term time individually, whilst paying heed to the statutory regulations. Our policy is NOT to grant leave of absence for a holiday other than in the most exceptional circumstances. Time off school for family holidays **is not a right**. An application must be made in writing, with appropriate evidence, **in advance** of the intended holiday.

5.2 School will consider authorising holidays for:

- service personnel and other employees who are prevented from taking holidays during term-time;
- when a family needs to spend time together to support each other during or after a crisis;
- parents who are subject to a strict and un-negotiable holiday rota and evidence is provided to this effect;

5.3 Requests for holidays for the following reason will not be authorised:

- cheaper cost of holiday;
- availability of the desired accommodation;
- poor weather experienced in school holiday periods; and
- overlap with beginning or end of term.

5.4 School will respond to all requests for a leave of absence in writing giving the reasons for the decision.

6. Extended leave of absence

6.1 In considering absence for extended trips overseas we will take account of the following:

- a visit to family overseas has a very different significance from a normal 'holiday';
- such visits may be important in terms of children's identity and self-esteem as they grow up;
- parents may feel that the reasons for their visit outweigh the importance of their child's uninterrupted attendance at school (although parents could be encouraged to use the school holiday periods for at least part of their trip);

- the reasons for wishing to make a visit is more difficult, particularly for ethnic minority families, where huge distances and high costs are involved;

7. Parents'/carers' responsibilities

7.1 The prime responsibility for ensuring children receive an appropriate and full-time education rests with parents / carers (defined by the Education Act 1996 as those with parental responsibility and those who have the care of a child), who will be supported and encouraged by St James' Junior School.

7.2 School expects parents / carers will:

- ensure their children attend the school regularly and punctually;
- support their children's attendance by keeping requests for absence to a minimum;
- not expect the school to automatically agree any requests for absence, and not condone unjustified absence from school.

7.3 Parents will also be expected to:

- notify school on the first day of absence, giving an indication of how long the absence will be;
- ensure their children arrive at school on time, properly dressed and with the right equipment for the day;
- work in partnership with the school, for example by attending parents' meetings and consultations, signing reading diaries when asked to do so, taking an interest in their children's work and activities;
- contact the school without delay if they are concerned about any aspects of their children's school lives. School will support parents to address their concerns.

8. Pupils' responsibilities

8.1 All pupils should be aware of the importance of regular school attendance. If they are having difficulties that may prevent them from attending school regularly, they should speak to their class teacher or other adult in school.

8.2 Pupils should attend all their lessons on time, ready to learn. Pupils also have a responsibility for following school procedures if they arrive late.

9. Governors' responsibilities

Section 175 (2)

9.1 The governing body of a maintained school shall make arrangements for ensuring that their functions relating to the conduct of the school are exercised with a view to safeguarding and promoting the welfare of children who are pupils at the school.

Reviewing the policy

The school will review this policy each year.

In writing this policy the following documents have been used:

- Children Missing education – Statutory Guidance for Local Authorities November 2013 (DfE)
- Section 436A of the Education Act 1996 (added by section 4 of the Education and Inspections Act 2006).

ATTENDANCE - A GUIDE FOR PARENTS (*information on school website*)

1. When does my child need to be in school?

Your child should be at school in good time for registration. The morning register will be called promptly at **8.45 a.m.** and the afternoon register at **1.10 p.m.**

2. What happens if my child is late?

Registration finishes at **9 a.m.** in the morning and **1.20 p.m.** in the afternoon.

If your child arrives between **8.55 a.m.** and **9.05 a.m.** he/she will be marked **late (Code L)**.

If your child arrives after **9.05 a.m.** he/she will be marked **absent (Code U)**.

(Pupils who arrive after registration should report to the school office. If a pupil is persistently late a meeting will be arranged with the Head Teacher and parents/carers.)

3. What do I do if my child is too ill to attend school?

We would expect a parent to telephone the school on the first day of absence. If you do not phone us, we will phone you. If we do not receive an explanation, or if the explanation is unsatisfactory, we will not authorise the absence, and this will be shown on your child's end of year report.

4. What reasons will the school accept for absences?

- Illness
- Emergency dental / medical appointment (please make routine appointments after school or during the holidays)
- Day of religious observance
- Family bereavement

Except in the case of illness, you should ask for permission for your child to miss school well in advance, giving full details. In cases of recurring absences through illness you may be asked to produce a medical certificate.

5. Will the School contact me if my child is absent?

The school operates a first day response to absences: we will phone you if we have not heard from you. The full first contact response is explained in the attachment at the rear of the policy.

6. I am thinking about sending my child on an extended absence for an overseas trip to visit relatives. What should I do?

The school recognises that such absence can be important for children to keep in touch with their extended family. Contact your child's class teacher as soon as possible to discuss the best time for such a visit.

The school would strongly recommend that such absences do not take place during your child's SATs examinations. You need to complete an application form for extended leave of absence

7. What can I do to encourage my child to attend school?

Make sure your child gets enough sleep and gets up in plenty of time each morning. Ensure that he/she leaves home in the correct clothes and properly equipped. Show your child, by your interest, that you value his/her education.

8. My child is trying to avoid coming to school. What should I do?

Contact your child's class teacher immediately and openly discuss your worries. Your child could be avoiding school for a number of reasons. It is important that we identify the reason for your child's reluctance to attend school and work together to tackle the problem.

REQUEST FOR LEAVE OF ABSENCE IN TERM TIME FORM (Page 2)

Every child deserves the best possible education. A major factor in pupils achieving the very best they can is full attendance at school. It is the view of the school, the local authority and the government, that holidays should not be taken during term time. Please read the following points carefully before completing and returning a request for leave of absence.

- Requests should be submitted to the school at least one month before the proposed absence.
- St James' Church of England Junior School encourages 100% attendance for all pupils and discourages any absences during term time.
- Leave of absence requests **will not** be authorised in the month of September.
- Leave of absence requests will only be considered if your child's prior attendance has been in line with attendance targets.
- A leave of absence will only be considered in the most exceptional circumstances.
- Any absence resulting from holiday taken without consultation with the school will be recorded as unauthorised.
- Any unauthorised absence will be noted in your child's record and may be passed to the Access & Inclusion Officer, Children's Services.
- Parents may face fines or prosecution at court for failing to ensure their child's regular attendance at school.

TYPICAL UNAUTHORISED LEAVE OF ABSENCE RESPONSE (USUALLY EMAILED)

Good Morning,

Thank you for submitting a Leave of Absence in Term Time form. Due to the circumstances and reasons for this request, we can inform you that the absence has been unauthorised and the registers have been updated accordingly.

As detailed on the absence form, I am unable to authorise family holidays, except in the most exceptional of circumstances, however it is still important for the office to know when children are off, so thank you for completing the form and returning it.

In order to be fully transparent with families, we would like to explain that the local authority have a responsibility to track the amount of school time due to term-time absence. Each term they ask me to provide details on which children have taken holidays and for how many days they have been absent due to this holiday. Together with a combined poor attendance record and proof of previous incidents of taking holidays during term time could result in families receiving fixed-penalty notices.

This latest absence is the ** incident of holidays taken during term time since your child started at St James'. I must therefore be clear that it is likely that subsequent term-time holidays will result in a fixed penalty notice from the Local Authority.

Yours sincerely,
Mr A Beattie
Head teacher

CUMBERLAND COUNCIL GUIDANCE ON SCHOOL ATTENDANCE

What is regular school attendance?

- Attending school everyday unless there is a very good reason for absence.
- Getting to school on time.
- Being present at school for both morning and afternoon sessions.

Children who attend school regularly are more likely to:

- Keep up with school work.
- Develop good habits and important life skills.
- Maintain friendships.
- Gain better qualifications.
- Have access to a wider range of opportunities when they leave school.
- Stay away from harm.

What does the law say about parental duty concerning children's education?

- Parents must make sure that their children receive efficient full time education in school or elsewhere.
- Once a child is registered at school, the parent must make sure that the child attends regularly.
- Parents should inform the school of the reasons for any unavoidable absence on the first day.
- Parents may request term time absence only in special or exceptional circumstances; this should be made in writing to the head teacher.
- Giving as much notice as possible.

At what age do children have to start school and when can they leave?

Children must receive full-time education from the **start of the school term after their fifth birthday** until the **end of June in the school year in which they turn 16**.

What is unauthorised absence?

Only the headteacher can decide if the reason given for absence is acceptable. If the head teacher decides that the reason given for absence is unacceptable, the absence will remain unauthorised.

Parents can face legal and financial sanctions if their child fails to attend school

- Fixed Penalty Notices to the amount of £ 120, this amount will reduce to £ 60 if paid within 21 days.
- An Education Supervision Order issued by the family court.
- Prosecution in a Magistrates' court.

EXAMPLE RAGG LETTER WORDING

Educational research conducted by the Department for Education tells us that children who attend school regularly are more likely to:

- Build a firm and secure knowledge and understanding across all curriculum subjects.
- Ensure they consistently meet and build upon expectations for their age group.
- Develop good habits, maintain friendships and important life skills.
- Gain better qualifications and have access to a wider range of opportunities when they leave school.

At St James' C of E Junior School we are committed to providing a safe and exciting learning environment and raising children and young people's school attendance to ensure they have the opportunity to get the best from their education and a good start in life. For more information about our Attendance Policy and procedures, please visit our school website or the school office.

Our whole school attendance target is 96%. Each term, you will receive a RAG letter (Red, lower Amber, upper Amber, lower Green, or upper Green) to highlight your child's individual percentage of attendance.

Well done (Upper Green – 100%)

I am very pleased to tell you that [[firstname]]'s attendance this year so far is 100%, which is an excellent achievement. Congratulations and thank you for your strong support on school attendance. Please share with [[firstname]] how pleased we are and encourage them to keep up the good work so we can send another "Green" letter next term.

Well done (Green – 99.99-96%)

I am very pleased to tell you that [[firstname]]'s attendance this school year so far is [[percent]], which is an excellent achievement. Congratulations and thank you for your strong support on school attendance. Please share with [[firstname]] how pleased we are and encourage them to keep up the good work aiming for 100% so we can send another "Green" letter next term.

Upper Amber (95.9 – 92%)

[[firstname]]'s attendance for this school year so far is [[percent]]%, which is below our school target set for all pupils. We understand that childhood illnesses and other exceptional family circumstances can be unpredictable and unavoidable, and we appreciate it when you let us know promptly that your child will be absent from school, however, we would ask you to encourage your child to aim for full attendance for the rest of the year. We monitor attendance on a weekly basis and ask for the support of all parents and carers in helping children achieve their attendance targets. We are keen to work with families to address school attendance issues in partnership together.

Lower Amber (91.9-90%)

[[firstname]]'s attendance so far this school year is [[percent]]%, which is below our school target set for all pupils. This is very close to the Red category (attendance of 90% or lower) which is well below our whole school attendance target and would raise concerns about persistent absenteeism.

We understand that childhood illnesses and other exceptional family circumstances can be unpredictable and unavoidable, and we appreciate it when you let us know promptly that your child will be absent from school. However, we are becoming concerned about the amount of learning and time with their peers that your child is missing so, we would ask you to encourage your child to aim for 100% attendance for the next term. This will ensure they do not fall into the Red category, where concerns may need to be raised formally. We monitor attendance on a weekly basis and ask for the support of all parents and carers in helping children achieve their attendance targets. We are keen to work with families to address school attendance issues in partnership together.

Red school attendance notification – (Below 90%)

[[firstname]]'s attendance this year so far is [[percent]]%, which is well below our school target set for all pupils and raises concerns about persistent absenteeism.

We appreciate that [[firstname]]'s high rate of absence from school has been due to [unforeseen/repeated/ongoing illness/health/medical issues/another exceptional family circumstances which may need stating] and we will continue to work with you and your child to ensure their low school attendance has the minimum impact we can achieve on their learning and wellbeing.

Attendance Management Flowchart

17. Dropping off and picking up before and after school

(Based on KAHSC v1)

Safeguarding policies and procedures

Schools have a duty to safeguard children in their care. An important part of this is considering how to ensure that pupils arrive and leave premises safely.

The following information details our policies and procedures about children being dropped off and collected to and from the school site, as part of our wider safeguarding responsibilities. These policies and procedures reflect the age of our pupils.

This policy is shared with parents and carers when a child joins the school and we will ask parents and carers to acknowledge that they have understood the policy and agree to follow it when they complete admissions forms upon entrance to the school.

Who is dropping off and who is picking up children?

A vital part of keeping children safe is ensuring the school knows who is responsible for dropping off and picking up a child.

Gathering information from parents or carers

On enrolment to the school, we ask parents and carers to provide the following information for each child:

- the names and full addresses of parents and carers (including confirmation of parental responsibility or private fostering arrangements and any relevant paperwork)
- home, work and mobile phone numbers
- email addresses where appropriate
- two authorised adult contacts who may be called in the event of the parents or carers being unobtainable or in the case of an emergency
- information about any person who has been denied legal access to the child (with copies of any relevant legal documents).

The school uses a secure system to store this information and update it on an annual basis.

Children travelling to and from school without adult supervision

As a school, we advise parents and carers with children in Year 3 and 4 to make sure they are accompanied by an adult. Children in Year 5 and 6 may enter and leave the site without adult supervision, but only once we have received notification from parents/carers that this is what they want to happen.

There is no law that states what age children may travel to and from school unsupervised.

Parents and carers should make their decision based on their child's maturity, ability and the safety and distance of the route to school. To help parents and carers decide whether their child is ready to either stay at home or go out alone NSPCC have the following guidance -

[Home or out alone guide.](#)

Older siblings accompanying a child to or from school on a parent or carer's behalf

There is no law determining the age at which a sibling can accompany a child to school. It is ultimately up to parents and carers to decide whether they feel this is appropriate.

Factors that parents and carers should take into account include:

- the maturity of all the children involved;
- the length and nature of the journey home;
- the behaviour of all the children involved;
- the relationship between the children collecting or being collected.

As a school, we prefer not to send a child home with a sibling unless the sibling is aged 14 or older.

What happens with late pick-ups, or if no one turns up?

Being late for pick up or not turning up at all can be a cause for concern, so procedures are in place to deal with this.

What happens if parents or carers are late to collect their child?

Late Collection Procedure

In the event of lateness for collection the school will:

- contact parents or carers;
- call emergency contacts if parents and carers cannot be reached so an authorised adult can come and collect the child;
- keep records of late collections;
- after 3.30 p.m. children will be put into the schools after-school club for safety until they are collected (and maybe charged for this service – usually not until the second instance of lateness).

If parents and carers have authorised someone else to collect the child, they may not always be aware the child is being collected late, so it's important we keep them informed if this happens.

In the case of persistent lateness, the school will contact parents or carers outlining possible concerns and record such as a possible safeguarding concern using the school's safeguarding procedures.

What happens if parents and carers cannot collect the child?

If parents, carers or other authorised people are not able to collect the child and have arranged for someone else to come instead, the parents or carers must notify the school as soon as possible.

If nobody comes to collect the child (after 5.15 p.m.), the school will make every effort to contact the parents, carers or authorised person whose details have been supplied. Until the child is collected, they should stay at school in the care members of staff who have undergone the appropriate vetting and barring checks.

School staff will never:

- take the child home with them
- transport the child home
- go in search of parents/carers.

The Designated Safeguarding Lead will make a full written report of an incidents of lateness past 5.15 p.m. This report should be added to the child's safeguarding file. If appropriate, this report should also be shared with children's social care.

Unless contacted or arrangements agreed between the school and parents, after 5.45 p.m. the school will apply child protection procedures and contact children's social care.

What happens if someone else comes to collect a child?

As a school, we will not allow children to go with any unauthorised person without first getting permission from parents or carers.

If a child's social worker is planning to collect them from school, this should be agreed in advance by the child's parents and carers.

If an unauthorised person arrives to collect the child, the school will contact the child's legal guardian. If the school is unable to make contact with the child's legal guardian, or the legal guardian does not give their permission, the school will explain that they are unable to release the child to anyone else without authorisation from the child's legal guardian.

If an unauthorised person refuses to leave the premises, becomes aggressive or violent or attempts an unauthorised removal of the child then it may be necessary to contact the police. This should be recorded as a safeguarding concern using the school's usual safeguarding procedures.

Who else needs to be involved?

Sometimes other external organisations are involved in drop off or pick up from school.

Activities on school premises

The school's procedures for dropping off and collecting pupils applies to after school clubs on the school premises.

When the school allows other organisations for activities or events, such as Whitehaven Harbour Youth Project, we ensure that we ask them to share their safeguarding and Child Protection Policy and procedures with you and check that these are adequate.
