

St James' C of E Junior School Whitehaven

School Dinner Menus

- These are our termly school dinner menus
- These have been developed with lots of input from the children and we hope they enjoy their meals each and every day, as well as offering value for money to families
- Jacket potatoes and sandwiches always come in a 'choose at the hatch' option and children can select from; cheese, ham or tuna mayonnaise at the hatch
- Every day fresh fruit and yoghurts are available as additional pudding options and water is always available
- We would encourage families to log on and order at home, but children can also order in registration each day
- Please note that we plan to make all meals every day but there might be slight changes due to availability/ stock etc
- If you have any special dietary needs please contact the School Business Manager to discuss
