Tri-Golf

This week a group of Year 6 and Year 4 children attended Seascale Golf Club to take part in an introductory Tri-Golf event. Please follow the [link](#) to see more photos.

Year 6 Residential

We have been frequently updated with the news from the Year 6 group who attended the Shropshire residential this week. It appears they have had a great time and there are now a number of [galleries](#) on the website showing some of the things they have been getting up to.

School Improvements

Could I please send out my thanks to Carl McNicholas and volunteers and apprentices at Balfour Beatty for coming out over half-term and fitting the newly refurbished basketball nets. We think they look really ace and, along with some newly painted fences make the place look a little brighter.

A huge thank you to Diane Openshaw as well, who was amazing this week in painting the sandstone wall outside Class 1 which is going to be the space for our new art mural that will be started in a couple of weeks.

Colour Run

Again further thanks for the kind donations to our 2nd Hospice at Home Colour Run. This time we will be holding the Colour Run alongside our Infant children following the school sports Day on Friday 21st June. Recent counts show that over 120 children have signed up this time which is fantastic!

School Uniform

Towards the end of term we are going to ask that anyone with any school uniform they will no longer use, particularly our year 6's who are moving on, and any that has simply become too small, to please consider donating it to the school. The donations may either be sold for a small charitable donation, donated to families or used in-house for spare uniform needed for little day to day emergencies! All donations welcome from gently used to those which have been well worn, as long as they are clean please. So if you are thinking of having a sort out anytime during the rest of term and summer holidays please consider donating your unwanted items and we will put them to good use. We will also have a sort out and re-purpose our unlabelled lost property so if you think your child might have lost something please don't forget to check lost property. Thanks you, Mrs Maiden.

Multi Skills

Some of our lower school children attended a multi-skills event at Whitehaven Academy today and got involved in events such as running, keepie up with tennis balls, endurance and hockey skills, they all had great fun and well done to Abby A who was the fastest of all the schools at the mini-hurdles!

As ever, do not hesitate to contact me if you have any concerns about any aspect of school life.

Mr Beattie
