As ever, do not hesitate to contact me if you have any concerns about any aspect of school life.

Mr Beattie

Thank you to everyone this week for wearing masks when dropping children off and collecting from the school site, and following the new timings for the entry and exit procedures. All of this helps to contribute to everyone's safety and confidence in the safety of the school. Our attendance this week has again been really strong at 99.3% and this is down to everyone's commitment to the school, following the guidelines and supporting each other.

Children in Need—This year we would like to support Children in Need, so on Friday 13th November 2020 we are asking for children to come into school in their own clothes for a suggested donation of £1. Children can come in spotty clothes or Pudsey items from previous years, but obviously due to the current difficulties with accessing shops, we are not specifying any specific dress code. Children can even put on some face paint if they'd like. This is a great cause and something we are pleased to support in such difficult times.

BBC

**Children
in Need**

Poppies—Thank you to everyone who has sent money in for the various Royal British Legion items we have had on sale at breaktimes. The boxes will still be around up until the 11th so it is not too late if children want to buy any items. The children and staff will be observing the 2 minutes silence as a mark of respect on Wednesday at 11.
