Mr Beattie

EBASC—Unfortunately, we will not be able to re-open EBASC next week but will review for the final week of term and update everyone next week.

Please note that we have been advised that there might be some roadworks starting from Monday 7th December outside the school gates. These are for essential works for United Utilities and we understand they are inconvenient but ask all parents to take care to ensure the safety of our children around the school site. Thank you for your understanding.

Please can all children make sure they bring both a jumper and a coat into school with them. Temperatures in school are lower due to increased ventilation and we are also encouraging as much outside play as possible so we want to ensure all children are warm.

Any children who usually bring a pack lunch who would like to have a school Christmas dinner, please contact the office by Tuesday 8th December. The cost is £2.20 and payment can be made on SchoolGrid.
